

12 December 1972

## MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT: Secretariat Summary of USIB Agenda for  
14 December 1972

Item 1 CCPC Study on Intelligence Activities Against Narcotics and  
Dangerous Drugs  
CCPC Recommendations for USIB approval; Sponsor -  
General Taylor

This CCPC study, prepared at your request, was completed with the active participation of a number of non-USIB agencies including the Office of National Narcotics Intelligence (ONNI), the Bureau of Narcotics and Dangerous Drugs (BNDD), and Customs. The Director of ONNI, Mr. William Sullivan, will be at the table for this item as will Mr. Andrew Tartaglino, Deputy Director for Operations, BNDD. The Treasury Member may bring a back up man from Customs.

The CCPC recommendations are that USIB:

- a. Approve the Conclusions in Section VIII.
- b. Approve the Recommendations in Section IX.
- c. Approve the recommendation on page 2 of the Special Appendix.

Board consideration of this item was postponed twice at the request of Mr. Sullivan. Included in your book is the latest letter from Mr. Sullivan which outlines his problems with the CCPC study. In addition we have included the memorandum from General Taylor which describes his meeting, at your direction, with Mr. Sullivan. General Taylor's memorandum outlines his conversation with Mr. Sullivan on how the CCPC study might be handled at the USIB meeting. The CIA Member's briefing memorandum supports USIB approval of the paper's Conclusions and Recommendations. It also states that the DDP "particularly wishes to avoid any development which could result in the Clandestine Service's having to reveal to ONNI, mandatorily, its sources and methods. The DCI's statutory responsibilities for protection of sources and methods cannot be amended or modified merely on the basis of ONNI's conceptions of its duties."

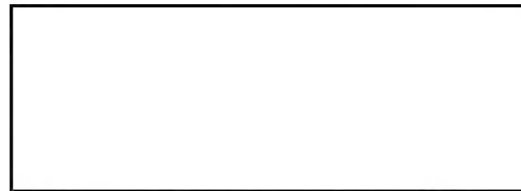

We understand Treasury may have some changes.

Item 2      Minutes  
Draft has been circulated by the Exec Sec for USIB approval;  
Sponsor -

Item 3      Watch Report  
Draft by the Watch Committee to be circulated for USIB  
approval; Sponsor - Mr. Lehman

Item 4      NIE on Problems in US-West European Relations  
BNE draft coordinated with USIB Representatives for USIB  
approval; Sponsor - Mr. Huizenga

We have been advised that Treasury has some problems regarding the tone of this estimate and may be preparing a footnote. These problems will be described in the BNE briefing memorandum which will be available tomorrow (Wednesday).
